2. Space assignment. Assignments will be made after the receipt of the application and payment on a first-come, first-served basis. I understand that the conference organizers reserve the right to reassign exhibit spaces at any time in the interest of creating a cohesive exhibit.

3. Exhibit hours. Displays must be staffed during all regular exhibit hours. Adherence to set-up and dismantling schedule is required. Localization World reserves the right to curtail exhibits or parts of exhibits that reflect against the character of the conference.

4. Loss, damage. Neither Localization World, its sponsors, their employees or agents will be responsible for any injury, loss or damage that may occur to the exhibitor or the exhibitor's property. By signing the exhibit space application, the exhibitor releases Localization World, its sponsors, their employees and agents from any agreement to indemnify them against any and all claims for loss, damage or injury. Exhibitors are advised to carry insurance.

5. Sales. Any on-site selling must comply with all federal, state and local laws regarding taxes.

6. Termination. If the conference is terminated due to picketing, strike, embargo, injunction, act of war, act of terrorism, act of God or emergency declared by government agency, the exhibitor waives any and all damages. Localization World may, after deducting all costs and expenses including a reserve for claims, refund to the exhibitor the prorated amount of all funds paid by the exhibitor.

Information and Conditions for Exhibitors

Times for Set-up and Dismantling

19th of June 2007 from 09:00 am - 07:00 pm

21st of June 2007 from 06:00 pm - 07:00 pm

Delivery and Storage

Deliveries can only be accepted within the set-up times quoted above. All deliveries arriving when neither booth staff nor booth builders are present at the bcc an announcement in written form is required. Deliveries that cannot be clearly assigned to an event or use (booth, symposium, etc.) are not accepted.

The collection of materials can also only take place within the set-up times quoted above. In this case we also request an announcement in advance. All materials must be clearly labelled.

In both cases the bcc GmbH is not liable for the completeness and the condition of the deliveries. This also applies to possible damages resulting from the storage at the bcc.

If any unannounced goods remain at the bcc after the end of the event the bcc GmbH reserves the right to either store these goods at the owner's expense or to dispose them at the owner's expense. The decision between storage and disposal lies upon the bcc GmbH.

General Information

The bcc GmbH is not liable for theft or personal injury during the set-up, dismantling, or the event. The exhibitor is liable for all personal injuries or property damages occurring through the use or presentation of his booth elements, objects, or exhibits. The bcc GmbH is not liable for damages that might occur through the interruptions of the feeding of the power outlets.

The exhibitor, respectively the booth builder, is responsible that all effective technical regulations (DIN, VstättVO, BGB etc.) are kept.

Due to the bcc's sprinkler system the construction of booth ceilings is not permitted.

The use of fork lift trucks is not permitted.

All means of transport must be equipped with rubber or nylon wheels exclusively.

No workings are permitted that may damage the building fabric (e.g. drillings in walls, ceilings, or floors). No construction works are permitted that may damage the building fabric (e.g. drillings in walls, ceilings, or floors). If risky construction works become necessary during the set-up or dismantling the endangered areas are to be protected.

It is not permitted to use double sided adhesive tape for the laying of the floors. The bcc GmbH provides a specific double sided adhesive tape which is available at the Front Office for 15,00 EUR and may be used exclusively.

Catering

We would like to point out the exclusiveness of the company Cate & Eve GmbH. It is not permitted to bring your own food, respectively to order external caterers. External caterers are generally refused access at the bcc. The use of private coffee machines etc. at the booth is also not permitted. If these guidelines happen to be violated during the event the bcc GmbH reserves the right to charge a compensation fee.

AV Equipment

We would like to point out that all AV equipment will be provided by our exclusive partner Ambion GmbH. It is not allowed to place or to set-up any technical equipment which is not provided by Ambion GmbH at the booth neither by the exhibitor nor by the booth builder. Our exclusive partner Ambion GmbH will offer and provide all of the required AV equipment for you. For booking of all technical equipment please contact Arne Rathje, phone number: ++49 (0) 30 23 806 757, E-mail: a.rathje@bcc-berlin.de
